

Introduction to Special Friends Bowling

Thank you for your interest in Special Friends Bowling (SFB). Special Friends Bowling is a club for disabled adult residents of The Villages, FL. Bowling starts at 1:00 pm every other Saturday at [Spanish Springs Lanes](#). The bowling fee is \$7.00 for two games of 8-pin tap.

Our roster is currently at capacity due to the number of lanes Spanish Spring Lanes has allocated to Special Friends Bowling. **If you would like to be put on our waiting list, please complete the waitlist contact information below.**

In the meantime please learn more about us by visiting our website at [specialfriendsbowling.org](#). Our [Frequently Asked Questions](#) page is particularly informative and you will learn what we expect of bowlers and their parents, guardians or caretakers on the [SFB Policies](#) page.

So as to ensure we might fulfill your expectations about bowling with us you are welcome to visit with us while we bowl. Please take the opportunity to meet with our leadership and your future bowling companions.

Volunteering

Parents, guardians and caretakers are our supporters, cheerleaders and coaches. They are as involved as our bowlers and take their roles very seriously. Our group would not be as successful today without their support and dedication. If you would like to volunteer, please indicate which role fits your talents:
